Re-usable

Recharge
in 5 mins

The Alternative HEAT Handwarmer instantly generates around 130F / 54C of soothing warmth in a light weight, conveniently sized pack.

Carry an Alternative HEAT Handwarmer in your coat pocket or bag ready for use anytime and anywhere. Ideal for sports, hiking, camping and fishing as well as any outdoor activity. Alternative HEAT Handwarmers are also used by chiropractors and their patients, sports therapists and nursing homes to provide relief from pain.

No need to dispose after use! The Alternative HEAT Handwarmer can be re-used many thousands of times. Simply follow the recharging instructions.

Choose from two friendly colours. We have a strawberry red and a soothing blue available.
